I. INTRODUCTION

I, Jonathan Daniel Clements, present myself voluntarily, of sound mind and lawful standing, to this facility in pursuit of immediate sanctuary and legal protective evaluation. I am not here in crisis of delusion or confusion. I am here under active threat.

This document is not personal speculation—it is a lawful record, supported by ecclesiastical oversight, public notary stamps, court receipts, government documentation, and firsthand evidence. I am here to assert my legal rights, protect myself and my beneficiaries, and to initiate lawful recourse in light of the violations committed against me.

II. CREDENTIALS & STANDING

I am a:

- Minister, ordained under Universal Life Church Ministries
- Currently completing Rabbinic training under recognized authority
- Holder of over 120 certifications across legal, cybersecurity, and business domains
- Degree in International Business Management with a minor in Economics
- Author of five nonfiction books with international distribution via Amazon KDP
- Former employee at Disney Parks, Hershey Park, and Piedmont Airlines (all requiring federal background checks)
- Founder of JediSec: a whistleblower platform with 25M+ documents
- Developer of AMK and QMM, advanced AI and cybersecurity systems used globally
- Recognized by international supporters including John Cena, whistleblower networks, and UN affiliates

III. ECCLESIASTICAL & TRUST STATUS

I am the Sovereign Executor of ECC-TRUST-JDC-005, an ecclesiastical trust lawfully constructed, notarized, and lodged with the Greenwood District

Court. The trust includes:

- Over 1,700 pages of declarations
- Notary certification and court validation
- Legal lodgement of documents pertaining directly to court cases

Subsequent obstruction, including scribbling out stamps and removal of filings, violates:

- ICCPR & UN Declaration of Human Rights (Article 18)
- Canon Law (Canon 332, 333, 129)
- Title 18 § 242 and Title 42 § 1983
- Hague Apostille Convention 1961
- Fraud Upon the Court (Rule 60b)

IV. CHAIN OF EVENTS

1. Vehicle lawfully in trust was towed despite legal notice
2. Three stacked citations issued with no injured party or commercial activity
3. Mother harassed on private property without warrant
4. Arrest on a false warrant from a non-existent Arkansas county
5. Window broken after reporting a violent parolee
6. Targeted harassment by deputies, police, and agents—pattern consistent with gang-stalking
7. Judge unlawfully altered and removed trust documents from record
8. Documented proof of lodged, accepted, stamped trust now defaced in violation of multiple laws

V. GROUNDS FOR SANCTUARY & PROTECTION

I am not mentally unstable. I am not violent. I am peaceful and documented as such.

I am being persecuted not for harm—but for my contributions to humanity. I have sacrificed career, safety, and resources for justice and equity. I request sanctuary as a lawful human being whose life, safety, and mission are under direct threat from institutional retaliation.
